

BREG Manufacturing Facility

Client: BREG

Project Size: 180,000 s.f.

Project location: Mexicali, Baja Mexico

Construction budget: \$1.4 Million

Services performed: Gilliland Construction Management provided full project management services, including management of the design, permitting, bidding and construction process. The project consisted of the final design and construction of a 180,000 s.f. manufacturing facility for BREG Inc. Facilities included approximately 30,000 s.f. of office space, an infirmary, a cafeteria and kitchen, and approximately 150,000 s.f. of manufacturing and assembly areas. New utilities included extensive electrical and compressed air systems, a new fire water tank and fire sprinkler system and 3 large air-handling units providing cooling.
