

## ServiceNow Building C

**Client:** ServiceNow

**Project location:** San Diego, California

**Project Size:** 65,000 s.f.

**Construction budget:** \$6,000,000

**Services performed:** Gilliland Construction Management provided full project management services, including management of the final design, construction process and FF&E vendors. The project consists of the complete demolition and tenant improvements for 65,000 s.f. of office space in the UTC area. Key features of the buildout were open to structure ceiling, large training areas, new employee break rooms, conference rooms and both private and open office areas for employees. The project was completed on a fast track schedule to meet the client's immediate growth needs.
