

Oberlin Tech Reimage

Client: Cypress Office Properties
Project location: Sorrento Mesa, CA
Construction budget: \$1.4 Million

Services performed: Gilliland Construction Management provided full project management services, including management of the design, permitting, bidding and construction process. The project scope included the demolition of the existing landscape and most of the hardscape for this 3-building office complex. Existing improvements were then replaced with all new site work. Key components included Epi wood shade structures and benches, fire features, new ADA sidewalks, new irrigation and new drought tolerant landscaping.
